The Staff: Shield '78

In this year's **Shield** we strove to represent as many of the faces of FHS as possible in pictures. This, of course, would not have been possible without our own student photographers. **Mr. Doerr** and Photo Editor, **Paul Chen**, organized a staff of roving photographers which included **Barry Schwartzstein**, **Chucky Jackson**, **Terry Sullivan** and **Laurie Bonja**.

These photographers and Davor Studios helped bring new life to the curriculum section of the 1978 **Shield**. Section Editors, **Jane Zielinski** and **Kathy Mayer**, put together an exciting representation of the faculty comprised totally of candid pictures.

Candid pictures were also an important part in the planning of this year's senior section. Editor **Dawn Leonovich** assisted by **Laurie Sebastian**, made this section representative of the Class of '78. **Jeanette Haynes** and her fine typing skills were also a valuable asset to the senior section.

Dottie Martin and **Paul Chen** used candid pictures to supplement portraits in the underclass section.

In the activities section, Editor **Rhonda Cohen** had many clubs, dances and special events to cover. Special features included newly formed clubs like the Pep Club, Italian Club and Shakespearean Society.

Winning seasons for both boy's track and basketball provided good story lines for Sports Editor, **Caroline Varney**. Caroline tried to feature outstanding games and players on each team.

While all of the **Shield**'s sections were all being planned, advertisements were sold to help pay for some of the book's expenses. **John Simko** had the job of overseeing this as well as, the sale of yearbooks throughout the school. All staff members participated in the sale in which **Jackie Fischbach** sold the most books.

The money raised through these sales helped to pay for the 16 pages of full color. Editor-in-Chief, **Anna Brilliant**, introduced this year's theme, "Every Picture Tells A Story", in the color section. Anna also worked on the other aspects of the **Shield** and the divider pages between sections. Special thanks to **Carol Van Houten** for the divider page lettering.

Other staff: Joanne Russo, Michelle Levine, Joan Friedman, Linda Hawkins, Melissa Mann, Nancy Sasso, Lisa Spielman, Laureen Vasil, and Barbara Lukacs

The administrators are instrumental for the efficiency of the school. They plan and co-ordinate the school functions, incorporating as few set rules as possible, so as to leave much freedom for the student. The Homecoming Dance was a very successful event. The climax of the evening was when Rhonda Thomas was chosen as 1977 Homecoming Queen. The sophomore princess was Joan Friedman, the junior princess was Cathy Vescey, and The Homecoming Queen's court was Debbie Cherry and Phyllis Nocerino.

'For me, becoming Homecoming Queen was a very shocking, and beautiful experience. It was something I never dreamed of, but had really happened! It was the warmest feeling I have ever had, and I will cherish it for the rest of my life."

— Rhonda Thomas —

The annual Winter Semi Formal was held on December 17th. The event was attended by approximately 60 couples. The school cafeteria was where everyone was treated to fine food and excellent music which was supplied by "Collage". All the proceeds from the dance were distributed between the Junior and Senior classes.

THE STORYTELLERS

The 1978 Shield Staff started to work early in the school year on a yearbook to be treasured for many years to come. "Every Picture Tells a Story" was chosen by the editors to be the Shield's theme. Under the leadership of advisor, Mr. Doerr and Editor-in-Chief, Anna Brilliant, the staff worked long hours to meet their deadlines. In addition, a Photo Flea Market was held in the winter to provide students and faculty with pictures of memorable school events throughout the years.

Sectional Editors included Caroline Varney, Dawn Leonovich, Laurie Sebastian, Rhonda Cohen, Paul Chen, Jane Zielinski, Dottie Martin, Kathy Mayer, and John Simko.

AFS WELCOMES EXCHANGE STUDENTS

The AFS club sponsored the Holiday Bazaar and they held an International Buffet in March where two hundred people feasted on foods from different countries. In April students from a Massachusetts High school visited ours and in May twelve of the AFS students visited their school. Franklin has had five exchange students this year from such countries as Chile, Argentina and Switzerland. The money that the club makes goes towards throwing parties for the incoming exchange students.

THE VISITOR FROM VALAIS

Five exchange students have shared parts of this school year with Franklin students. The Open Door program, a North-South American exchange, sent four students. Karin Nett and Alejandra Misie came from Chile to spend two and a half months with Denise Wetch and Jean Watterson. Silvia Vericimo, an Argentinian student, lived with Nanci Adam's family. Teresa Esmahon came from El Salvador to stay with Laura Herman.

Jean Watterson and Patrick DeHaan spent the summer months in Chile and Mexico speaking Spanish and meeting people they say they will never forget.

Gerard Geiger, an A.F.S. student from Valais, Switzerland, arrived on August 28 to join the Venzke family, spent Christmas with the Davises and lived with Brian Beam and his parents until his return to Switzerland.

Shield: What have been some of the most worthwhile things you have learned during your stay here?

Gerard: I have learned a lot of things about myself. I know better now what I can and cannot do. I know my limits and live with them. After one year I have a lot of new friends. This fellowship is the most valuable thing for me.

Shield: What do you plan for the future?

Gerard: When I go back to Switzerland I go on with my studies. First of all I finish college (what you call High school. It is longer in Switzerland, we finish at 20). After college I think that I shall go to the University but I don't know what kind of job I want to have. I have time to make my choice.

SHIELD: Will you come back to visit?

Gerard: Yes, I'd like to . . . if I can find the money. It would be so nice to visit my friends.

EASTER TRIP TO RUSSIA

The Russian Club of Franklin High has been very active this year. This year included many fund raisers like a bake sale and the Holiday Bazaar. The club saw the Moscow Circus in N.Y. and they saw the Rutgers basketball team challenge the Soviet National Squad. Five members of the club, participated in the February 11 "Olympiada" competition sponsored by Douglass college. Judy Lukacs, a fifth year Russian student, placed fifth out of thirty competitors. Russian club advisor Ms Brys and several students visited the Soviet Union during the Easter vacation. The group visited the cities of Leningrad and Moscow during the tour. They also saw Lenin's Tomb and the Bolshoi Theater.

VARSITY FOOTBALL: THEY DID THEIR BEST

The Franklin Warriors finished the 1977 football season with a disappointing 1-8-0 record. They played a tough schedule which included Barringer, Seton Hall, and Somerville.

The Warriors one win came against Bridgewater East by a score of 41-22 which showed the potential talent of the Franklin team.

The Franklin Warriors must be commended for never losing their spirit during all the injuries, setbacks, and losses that were experienced throughout the season.

This year's J.V. football team was faced with the nearly impossible task of living up to last year's record of an undefeated season. Plagued with injuries and adverse weather, this season proved to be an extremely difficult one. Coaches Barry Jackson and Tom Foust felt that their 20-point game against Watchung was the most exciting and are optimistic about the future.

Coaches Compton and Sapala are absorbed in the game as they watch from the sidelines.

1st YEAR WARRIORS BLANK "THE VILLE"

After losing the first three games of the season, the Freshmen team, coached by Mr. Compton and Mr. Sapala, won the next four. The 18-0 win over Somerville was the highlight for the squad which posted a 4-2 Mid State record.

'CHARGE

The Varsity Field Hockey team has steadily improved over 1976's last place record of 0-11-2. This year they improved their record to 6-5-5 and finished in third place. Next year the team hopes to up their record by scoring more goals and eliminating ties. The team's steady improvement was due to outstanding defensive play by Debbie Bondy and Sue Van Acken. Offensive play by Sharon Svendsen and Dawn Rubin. Next year the team is going to suffer a tremendous loss when four year varsity player Lisa Madigan graduates who demonstrated outstanding skills in all areas of the game. Other graduating players are Captain Debbie Bondy, Co-Captain Gayle Gross, and Lucy Burt. Coach Heller said she had "the greatest bunch of players any coach could ask for!"

J.V.'S HOPES FOR '79

The J.V. Field Hockey team ended their season with a 3-6-1 record. During the season the team steadily improved especially considering there were 13 new inexperienced players. Next year the team hopes to keep up interest and recruit another good group of freshmen. Outstanding players were Jeannie Jerzewski, Kim Packer, and Nancy Easton. Coach Weinert said she had "a great group of enthusiastic responsible kids."

THE LIFE OF A RUNNER

CROSS COUNTRY — NO. 1

For the second year in a row, the Cross Country Team had an undefeated, 7-0, season. Led by Senior Captain Richard Judd and Scott Ellis, the team had first place victories in the County Championships, the Mid-State Conference Championship, and the Bernards Invitational. Franklin's top runner, Richard Judd, had a 6-1 record in dual meets and placed 1st in the County Championship and in the Shore Invitational. Ken Danielsen, Sophomore, was the only member of the team to place in the top 25 in the States Group III Championship.

IN THE RUNNING FOR NEXT SEASON

The girls X country team showed great spirit this year. They worked hard and closed the season with a 4-5 record. They placed third in the Mid State Conference and seventh in Somerset County. Most of the team are underclassmen, so next year's season looks good.

SLOMAN ELECTED TO FIRST TEAM

The 1977 Franklin Soccer team, which started with great optimism, unfortunately ended in disappointment. They finished with a 2-13-3 record but this was misleading as the Warriors were only outplayed twice.

Returning Head Coach, Garland Harris, instituted a 4-4-3 system which took time to master. There were bright spots as the Warriors developed team oriented play which saw Sr. Capt. Scott Soman elected first team Mid State Conference. Sr. Kenny Nierenberg and Jr. Vince Walker made the Second team.

Vince led the Warriors in scoring with 7 goals but was hampered by injuries. Scott Soman led the team in assists and Kenny Nierenberg stabilized the defense. Sr. goalie Scott Potts played superbly in the net as he posted a 3 goals per game average.

The Warrior wins came against rated No. Plainfield and So. Plainfield.

Next year will be a rebuilding year for the soccer team since they are graduating 11 seniors, but who knows what may happen?

VARSITY TENNIS RANKED 2nd IN CENTRAL JERSEY GROUP III

Varsity Tennis finished with an 11-2 record. They finished 2nd in the Mid State Conference by beating Ocean Township and Red Bank Catholic. First Singles was Diane Devries with an 11-0 record. Second and third singles was played by seniors Janet Fillmore and Kathy Vlastaris respectively. Their records were 11-2 and 12-1 for Kathy. First doubles was played by Paula Kimball and Nancy Mandel. Their record was 11-1. Second doubles was played by Janice Horvath, Deidre Weeks and Melissa Greenberg. Their individual records were 4-6, 5-6 and 2-0 respectively. Kathy Lagoski often filled in during the season. Her record was 3-2. The season was marked by coming in 2nd in the Central Jersey group, losing to Ridge.

REBUILDING SEASO

The Gymnastics team finished the season with a 1 8 record due to the loss of many Seniors. This year's Captains are Juniors Steve Panzarino and Bob Allwine

Coach Keimel, when asked whom he thought were the best gymnasts on each apparatus stated: "Bob Allwine — floor exercise, Lee Perez — parallel bars, Michael Dalle Valle — high bar, Jimmy Watterson — vaulting and rings and Steve Panzarino — side horse" Robert Sidler was the team's Most Outstanding Freshman this year. The team looks forward to a better season next year, since they will not be losing any gymnasts at graduation.

GIRLS GYMNASTICS — HOPES FOR BETTER SEASON

The 1977-78 Girls Gymnastic Team did not have one of its best seasons, finishing with a record of 3-9. However, there is more talent on the team than their record indicates.

The loss of Senior Captains Heidi Jackson, Debbie Cherry, and Michelle Bills will hurt the team. Junior, Jackie Fischback and Sophomore Lisa Juswiak are still with the team, as well as Freshmen Sue Vescey and Joyce Friedberg who both look very promising.

Heidi Jackson was the only team member to make the State Sectionals, and she placed 13th in the Central Jersey State Championships, and in the Somerset County Meet she placed 2nd in vaulting.

Coach Judy Butler and Assistant Coach Mr. Terrell, along with the rest of the team are looking forward to a more successful season next year.

FUTURE LOOKS PROMISING

Although the Varsity team did not have a winning season, they played well and finished with a 6-12 record. Most of the girls were underclassmen and they gained valuable experience playing together as a team so next season looks especially promising.

The J.V. team finished the year with a 6-8 record. Many of the players will be useful to the "79" Varsity squad.

The Varsity squad ended the season with a record of 1-9. Next year can only be better since Dave Bullek and other key members will be returning.

LARRY'S 181 TOPS

Senior Larry Walker took high average and high series in the Mid State Conference (team finished second to B R West) with marks of 181 and 640 respectively. Senior Mike Fillmore (176), and Bill Kovacs (169) along with Junior Mark Edfort (166) and Freshman Sam Proctor (164) contributed greatly to the team's successes this year.

16-3-4 RECORD FOR KEGLERS

Although the team did not repeat as State Champions, the Keglers had an outstanding season. A 16-3-4 match record placed the team in the National Division of the newly formed National Bowling League. A "Super Bowl" roll off against American Division winner, Allentown, Pennsylvania gave Franklin the Championship of the Central Division (25 teams).

In tournament action, Franklin won the high school division of the All-American Tournament (25 teams) for the second consecutive year.

The Senior Class Master of the first, the 1910-1911, through all our high school years we have tried to make a start and we know what the school has been. Our class never had a problem with unity and togetherness in that system I was a part of, but on the other hand another which would be thought of as a little better, another system where we worked and wanted to fill the responsibilities of that life.

The Shield is a monthly publication that highlights the life of the senior year with each class of the school. This year the class of 2016 did the "We, Dares" feature which supplements the regular FHS yearbook. The "We, Dares" book consists of pages in which a senior may place events that he or she was involved in during the year. The senior may write things worth remembering.

As it was our 1st year work trip, organized the following activities: the Stream Trip, the Year
End Project at the Farm City, and graduation. These are responsibilities that we
will take over again at the 2nd year. We are working for YES we are moving on to bigger and
better things. Last but not least is the herding event Frank Hightower.

The History Club wishes to express its support of the yearbook and its staff for its continuous contribution to the quality of the school. The yearbook has established a standard achievement which the entire school can be proud of.

The club would also like to thank the student body and administration for their contributions through the club activities. Without this support, our two trips to Naimun Washington, D.C., would have been impossible.

We look forward to another year of continued service to the school through our CARNATION DAY program.

(1978)

Dear Mrs. Fisher:
You're such a
wonderful person,
that I can't begin
to describe you. You
like my second mom
who was there when
I had a problem (al-
ways boy or parent
problems). But through
it all, you were my
biggest help. I have 2
more years here and
knowing you'll be there
will make each day a
little (a lot) brighter! You
are very dear in my heart,
and always will be.

Stay young forever!

Love you,

Darren
